

Financial Comparison

Protectapeel, Film, Board

This document is designed to compare the cost of protecting 5,000m² of glass using protective film, protective board and Protectapeel. We have used the wage rate of £25 per hour (including all employer costs) and the estimate that when damage does occur that it is a rate of 2.5% of the substrate to be replaced at a total cost of £500m².

*This information is intended as a rough guide only. It should not be used for quoting purposes, as labour and product costs can vary depending on a range of factors.

INTERNAL PROTECTION

	Film	Board	Protectapeel
Materials Including Ancillaries	£2,362.50	£13,062.50	£17,829.55
Labour - Application & Removal	£15,444.93	£23,533.33	£3,831.36
Damage	£62,500.00	£0.00	£0.00
Total	£80,307.43	£36,595.83	£21,660.91
Cost per m²	£16.06	£7.32	£4.33

INTERNAL & EXTERNAL PROTECTION

	Film	Board	Protectapeel
Materials Including Ancillaries	£4,725.00	£26,125.00	£43,698.15
Labour Application & Removal	£30,889.87	£47,066.67	£8,361.60
Damage	£62,500.00	£0.00	£0.00
Total	£98,114.87	£73,191.67	£52,059.75
Cost per m²	£9.81	£7.32	£5.21

EXTERNAL PROTECTION

	Film	Board	Protectapeel
Materials Including Ancillaries	£2,362.50	£13,062.50	£25,868.61
Labour Application & Removal	£15,444.93	£23,533.33	£5,541.12
Damage	£62,500.00	£0.00	£0.00
Total	£80,307.43	£36,595.83	£31,409.73
Cost per m²	£16.06	£7.32	£6.28

PROTECTAPEEL

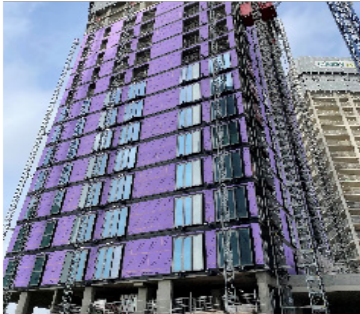

APPLY | PROTECT | PEEL | RECYCLE

Key Features

EASY APPLICATION

Quick application by airless spray
Approximately 49 seconds to apply per m²
No measuring
No cutting to size

DURABLE PROTECTION

Air-tight protection
No adhesion loss
BS 476 Pt 7 fire rated
12 months protection
Internal & external use
Ideal for curved, shaped & flat surfaces

EFFORTLESS REMOVAL

Easy to remove by hand
No residue left on the surface
Dust, dirt and paint removed
Surface is damage free
Reduce repairs & replacements
Reduce additional cleaning costs
Return for free recycling*

** A minimum of 50kg of used material is required for free collection*
